OUR COMPANY

Josarflor

is a competitive and innovative company, which produces and sells roses of excellent quality since 2003. Founded and managed by an Ecuadorian group, the real estate of experience is reached by mixing Ecuadorian prodigals and tenacity creating a prime quality of satisfaction, thus making every special moment unforgettable.

The farm

is located in the Cayambe and Tabacundo area, at elevations ranging from 2,800 to 3,200 meters above sea level. Its privileged location in the Middle of the World, combined with the unique conditions of the Ecuadorian Andes, contributes to the production of exceptional roses with distinctive characteristics and outstanding quality.

At present

the farm holds 44 hectares of green houses with processes designed to assure top of the line products, were the company has applied innovative methods respecting the employees and the environment.

Josarflor has obtained Flor del Ecuador, BASC, Carbon Neutral and now Flor Verde Sustainable Flowers Certifications, highlighting its unwavering commitment to sustainability, ethical practices, and environmental stewardship as part of its continuous improvement system.

You are invited to become Josarflor's business partner and take part of an outstanding experience!
